# HALLELUJAH

**TODAY WE WANT TO TAKE A FEW MINUTES TO DEDICATE OUR** newly renovated Procter Worship Center to the glory of God and the joy of our fellowship. It has been well over 20 years since the inside of the building was even painted let alone any major changes to the lay out of the building. I want to take just a moment to point out a few of the things that you might recognize.

**FIRST THERE ARE SOME OBVIOUS THINGS THAT STAND OUT** when you first walk into the church. The halls and the foyer have been textured, windows removed, and given a fresh new and welcoming look. Even the doors to the Worship Center are solid, stained, and quiet and appealing as one comes in the church for worship.

**THE FAMILY WORSHIP CENTER IS REPAIRED AND TEXTURED** along with being remodeled. Note that there is a new look to the front of the church. The lines in the front wall are now gone, trim around the baptistery, the doors, railings and all the furniture are stained alike. The chairs on the platform are from the foyer they were purchased in memory of Eldon Errington and Jerry Moore.

**THE SOUND BOOTH AND SOUND SYSTEM IS NEW IN MANY WAYS** including a new motherboard, speakers, etc. The big cluster up in the center of the church is now gone. The new speakers are very high quality and though it might take a little while to get all the adjustment right for the best quality it will make all the difference in the world. I look forward to a new day of worship in our church.

**ONE MORE THING. DO YOU PLAY A MUSICAL INSTRUMENT?** That is a very important question that needs to be answered **NOW**. We already have some who play guitars, bass guitars, drums, but we need more. I am impressed of the Lord that we need to include some other instruments and music in our praise and worship program each week. If you will commit your talent to the glory of God we need to know **NOW**. Our church must grow **now** if we are going to survive in the days and years to come. Please pray and then help us in our worship time together. Talk to me or Bro. Terry. Share what God has given you.

To God Be the Glory,

*Bro. Rick*
