"Let your light so shine before men, that they may see your good works and glorify your Father in heaven." Matthew 5:16

The PastorWrites -----

WE HAVE FINALLY REACHED THE DAY WHEN WE will begin our ministry of **truelife.org**. In today's program there is a little card called a "**Who-Do**" card. "**Who-Do**" you know that we can visit, share faith in Christ with or invite to our church. Please give us as much information as you have so we can contact them and try to arrange a visit with them. You don't have to put your name on the card if you choose not to. Of course it will help us to know as much as possible about the person before we make a visit.

ON TUESDAY EVENING AT 6:00 PM WE WILL MEET at the church and divide into teams to start making visits. The big question is, "Will **YOU** go as a witness to the lost or a supporter to another who will be sharing the plan of salvation?" There is nothing like the joy you will feel when you have led someone to Christ or been with someone who leads another to the Lord. Please, be faithful in the Christian obligation to share Jesus.

TONIGHT I WILL TAKE THE TIME IN THE WORSHIP service to give some information and material to help set your mind at ease and give you confidence in telling someone about Jesus. If you are willing to try, your life will never be the same.

AT THE VERY LEAST YOU CAN PASS OUT THE **truelife.org** cards. There are more of the cards out in the foyer and if everyone here passes out just 5 cards this week we might have influence on 500 people. Of those we pray that at least one or two will come to know Christ.

Joyfully your pastor,

Bro. Rick

Kalin's Story - - - -

In case you don't remember Kalin, he is Jennifer's nine year old son, Elaine and Terry's grandson. Kalin has Type One Diabetes. Since we first found out about his illness his life has been a series of finger pricks and insulin injections. Every meal must be monitored carefully and before every meal and every night he has to be checked to make sure his blood sugar has not dropped dangerously low or high. There are no days off and there is no cure at this time.

That is why we are seeking help to change Kalin's future and many other young people. JDRF (Juvenile Diabetes Research Foundation) is a global organization with a strategic plan to progressively remove the impact of T1D from people's lives until it is no longer a threat to anyone. Please help JDRF turn Type One into Type None.

A note from Kalin to the Procter Baptist Church Family. "Thank you. That is such a nice, kind and thoughtful thing to do for me!"

A note from Kalin's Mom. "Dear Procter Family, thank you for reaching out to help us during this hard and stressful time. According to what I've read and heard from doctors, they are not far from a cure and that's what I'm holding my breath for. I want my son to be completely healed so he can go back to living a normal life. Every dollar brings us closer to a cure. From the bottom of my heart, I thank you for your love and support."

Kalin, on his own is trying to raise some funds to help in the research to find a cure for Type One Diabetes. Most of us have children or grandchildren that are still susceptible to this dreaded disease. For the sake of all our children, let's help where we can. You can help by giving through the church with your designated gift to "Kalin's Fund." We will see to it that it goes directly to the fund in Kalin's name. Let's help our children.

Because we care,

Bro. Rick

People on Missions

Please pray every day as they prepare to serve on the mission field:

We received a Thank You note from Margo Holder. The note is on the bulletin board by the library.
